

New Balance of Payments categories for all cross-border payments.

As part of the Bank of Namibia's regional Balance of Payments modernisation initiative, updated BoP categories will introduce more detailed and standardised reporting for cross-border payments and receipts.

More detailed categories

Clearer and more specific categories for cross-border transactions.

Accurate category selection

Select the category and sub-category that best reflects the purpose of your transaction.

Supporting information

Have the relevant transaction details and documents available.

Understanding the purpose of your transaction will help you select the correct BoP category.

Contact your Nedbank Support Team for more information.
